Thursday 2nd September**

Message from the Principal, Mrs Paula Baines-Chambers:

Thank you for the support that you have provided over this year, Ashwood really does have a community to be proud of!

Keepmoat Homes who are developing the land on Nightingale Road believe that it is vital that the local community are involved throughout the development process and have written to me regarding an exciting competition. They would love for our pupils to take part in a special naming competition to produce the name of their exciting new development. In September, they will be sending further details and guidelines for a name that has great significance to the history of the local area. Over the summer, it would be great to begin thinking about possible names.

I wish you all a restful, safe summer and hope that you are able to make lots of wonderful memories.

Mrs Baines-Chambers
